Re: Case Number: 266N-ME-60143

Dear [Redacted]

Your name was referred to the FBI's Victim Assistance Program as being a possible victim of a federal crime. We appreciate your assistance and cooperation while we are investigating this case. We would like to make you aware of the victim services that may be available to you and to answer any questions you may have regarding the criminal justice process throughout the investigation. Our program is part of the FBI's effort to ensure the victims are treated with respect and are provided information about their rights under federal law. These rights include notification of the status of the case. The enclosed brochures provide information about the FBI's Victim Assistance Program, resources and instructions for accessing the Victim Notification System (VNS). VNS is designed to provide you with information regarding the status of your case.

This case is currently under investigation. This can be a lengthy process and we request your continued patience while we conduct a thorough investigation.

As a crime victim, you have the following rights under 18 United States Code § 3771: (1) The right to be reasonably protected from the accused; (2) The right to reasonable, accurate, and timely notice of any public court proceeding, or any parole proceeding, involving the crime or of any release or escape of the accused; (3) The right not to be excluded from any such public court proceeding, unless the court, after receiving clear and convincing evidence, determines that testimony by the victim would be materially altered if the victim heard other testimony at that proceeding; (4) The right to be reasonably heard at any public proceeding in the district court involving release, plea, sentencing, or any parole proceeding; (5) The reasonable right to confer with the attorney for the Government in the case; (6) The right to full and timely restitution as provided in law; (7) The right to proceedings free from unreasonable delay; (8) The right to be treated with fairness and with respect for the victim's dignity and privacy.

We will make our best efforts to ensure you are accorded the rights described. Most of these rights pertain to events occurring after the arrest or indictment of an individual for the crime, and it will become the responsibility of the prosecuting United States Attorney's Office to ensure you are accorded those rights. You may also seek the advice of a private attorney with respect to these rights.

The Victim Notification System (VNS) is designed to provide you with direct information regarding the case as it proceeds through the criminal justice system. You may obtain current information about this matter on the Internet at WWW.Notify.USDOJ.GOV or from the VNS Call Center at 1-866-DOJ-4YOU (1-866-365-4968) (TDD/TTY: 1-866-228-4619) (International: 1-502-213-2767). In addition, you may use the Call Center or Internet to update your contact information and/or change your decision about participation in the notification program. If you update your information to include a current email address, VNS will send information to that address. You will need the following Victim Identification Number (VIN) [Redacted] and Personal Identification Number (PIN) [Redacted] anytime you contact the Call Center and the first time you log on to VNS on the Internet. In addition, the first time you access the VNS Internet site, you will be prompted to enter your last name (or business name) as currently contained in VNS. The name you should enter is [Redacted]

THREAT OF VIOLENCE

Synopsis: To close captioned matter.

Details: This matter was opened based on information received from the Detroit Division regarding a threat to a student at Middle Tennessee State University (MTSU) by the Imperial Klans of America (IKA). Detroit identified a potential victim, [redacted]  
[redacted] (protect identity), as the victim.

[redacted] had been engaged with "sarcastic" internet dialogues with members of a pro-white website, www.HalTurnerShow.com, challenging their views by postings on message boards. At some point, [redacted] posted on the website with a photograph of himself and specific location information at MTSU.

Detroit obtained information that several IKA members planned to travel to MTSU, and set fire to [redacted] dorm room. FBI Nashville provided this information to MTSU security and Murfreesboro Police, and steps were taken to ensure [redacted] safety. No attack from any IKA members or others occurred.

Since there was no attack, and Detroit was unable to provide specific information regarding the attackers, no further investigation remains. Therefore, it is requested that this matter be closed.
